Amego is proud to support children and adults living with autism and other developmental disabilities throughout their lives at home, school, work, and as members of their families and communities. At Amego, we challenge and encourage each other to grow by providing opportunities for lifelong learning for our entire Amego family. Our family includes the children and adults we serve, along with their families, our Day Program and School staff, Residential staff, BEST Clinical staff and senior management. We center our services on each person's aspirations, needs and desires so they may reach their full potential through our:

- Educational programs for our children ages 8 - 22;
- Habilitative and Vocational Day Programs for our adults 22 and older;
- Residential Programs for our children and adults, providing a home-like environment; and
- Home-based services where we assess and provide services to children and their families in the community.
