March 24, 2020

Dear Parents, Guardians and Stakeholders:

Amego continued Pandemic planning and communications today. As of this writing, we still have no confirmed cases at Amego. If this changes, it will be included in our daily update and impacted families will be contacted directly. Please know, that given the spread and safeguards that are in place – blame should not be placed on anyone that tests positive. Amego front-line staff have been vigilant in following hygiene guidelines and have stayed in regular contact with our on-call resources.

Senior personnel were on several conference calls with state officials, trade associations, and peers today. Internally, our pandemic response team reviewed staffing patterns and resources. We maintain reasonable stockpiles and are expecting significant deliveries tomorrow to add to our food and supply reserves.

Donations in the forms of cash and supplies continue to arrive and are greatly appreciated. Please continue to coordinate these efforts through Betsy Roche (BRoche@amegoinc.org).

As the situation continues to develop, we will keep you updated. We are constantly assessing restrictions that are in place and working to determine if there are additional safeguards that we should take.

As mentioned in yesterday's update, we will be holding another ZOOM meeting tomorrow at 5:00pm. Please send any questions ahead of time to contact@amegoinc.org.

Below is the link to the meeting. Look forward to seeing you tomorrow!

Thank you,

President and Chief Executive Officer
