Dear Parents, Guardians and Stakeholders:

Today we continued to receive a number of donations from all of you. Thank you for all that you are doing! The high need items continue to be:

- Masks, gowns, gloves, and goggles
- Cleaning supplies
- Toilet Paper
- Hand Sanitizer & Soap
- Paper towels, wipes, or re-usable cloths or towels
- Cash to support our staffing levels during this time
- 

In the background today, we continued to assess our staffing needs and our processes for supporting people in our houses. The allocation of all resources remains geared toward programs and their support. We have a reasonable centralized stockpile of food and supplies but will continue to add as items are used.

We have experienced additional potential cases in one additional adult program (***if you haven't been informed directly – it doesn't involve your family member***).

We understand the difficulties many are having with not seeing their loved ones. Please know that we will continue to support you and them through this in any way we can.

Please also know that although we are getting donations and supplies, the need continues to be there. The longer this goes, the more ongoing support and contributions we will need. The Amego staff will continue to focus on service continuity – and we will continue to need your support through this. Contributions, meal delivery, and volunteer opportunities should be directed to Betsy Roche ([BRoche@amegoinc.org](mailto:BRoche@amegoinc.org)).

We will continue to host Zoom Meetings for stakeholders on Wed. Evenings at 5 PM. The link to the meeting is below. If anyone has experienced difficulty logging in, please let us know ASAP via email: [Contact@amegoinc.org](mailto:Contact@amegoinc.org). Also, if you have questions before the meeting please send them to that address.

Please have a safe weekend!

Thank you,

President and Chief Executive Officer
