Regina Yando, Ph.D., Director

Dear Parents, Guardians and Stakeholders:

Thank you to everyone who has been sending in links and suggestions for places to pursue PPE. We have started reaching out to local church groups, fire departments and police departments where we have residences. We have staff looking up contacts at local construction companies and reaching out to them as well.

Today, as we do every day, we reviewed inventory. We appreciate your continuing to bring us PPE items as you come across them and welcome any additional leads you have for us.

We have created YouTube videos to help supplement training handouts regarding putting on, wearing, and taking off PPE. Thanks to our Northboro staff for spearheading this initiative.

We received many Easter items for families. Staff are organizing the items this evening so they can be delivered to the houses first thing Friday morning.

As captured by Lisa Brown's message at the end of last night's meeting, Amego staff are working to support our clients and our staff. The support from all stakeholders, especially families, continues to be crucial in meeting the basic needs of our clients and staff during this period.

Our need areas remain:

- Household Supplies
  - Toilet paper
  - Cleaning supplies
  - Paper Towels / Microfiber Cloths
  - Hand sanitizer
  - Hand Soap
- Cash /Monetary donations to support our staff
- **PERSONAL PROTECTIVE EQUIPMENT**
  - **MASKS MASKS MASKS**
  - **GOWNS**
  - **FACE SHIELDS OR GOGGLES**

Tomorrow, we will be supplying all front-line staff with N95 masks for work use. We will also be supplying additional reusable masks. We would like to be able to keep these available for our staff, but with our current use rate we need to keep incoming stock. Any leads are appreciated.

Thanks for your continued support and suggestions.

President and Chief Executive Officer
