Dear Parents, Guardians and Stakeholders:

We have received several emails of condolences from families and stakeholders regarding the loss of our beloved friend, David Read. Staff are incredibly saddened during this difficult time and your messages of support mean a lot.

We will host our Family and Stakeholder Zoom meeting tomorrow evening at 5pm. As a reminder Leo Sarkissian, Executive Director of The Arc of Massachusetts, will be joining us. The timing is perfect as we received disappointing news regarding funding for our adult day services earlier today. We will go into further details about this news on our call. Leo will be able to shed some light on advocating for funding of these services in the days to come. If you have any questions prior to the meeting please email them to Contact@amegoinc.org.

I would like to thank those of you who have sent in monetary donations, supplies, and created fundraising pages to solicit donations for Amego. Given the news today regarding funding from the state for our day services, we need this support more than ever.

Since last Thursday we have raised \$7,855 through your fundraising pages. Thank you for taking the time to create these pages and for reaching out to your family and friends. We will continue to need to raise private dollars to support our individuals during this pandemic.

We are still discussing details regarding visitations and program openings. With no new details on the Governor's directives we are waiting to see how our plans fit with the roll out of his phased openings. We will discuss this further tomorrow.

We look forward to connecting on our Zoom meeting.

Thank you and have a nice night,

President and Chief Executive Officer
