Dear Parents, Guardians and Stakeholders:

Thank you for participating in our Zoom meeting last evening. We appreciate you taking the time to connect with us as we continue to navigate this new normal.

We have received additional leads on PPE from families today that we will follow up on. Please continue to share places that are offering PPE by emailing Betsy Roche at BRoche@AmegoInc.org. Our most pressing PPE needs continue to be masks and gowns.

Earlier this afternoon we sent out information on a COVID-19 fundraising campaign we have launched. We are looking to recoup upwards of a million dollars in payroll and PPE expenses we have incurred since March 15th. As stated last night, we are not eligible for the payroll protection or small-business protections that are currently being offered through the Families First Corona Virus Response Act or the Coronavirus Aid, Relief, and Economic Security Act. Several families have already created pages to help us fundraise for this campaign- we are incredibly grateful for the support! If you did not see the information posted on our social media platforms and want to help us spread the word about this campaign, the link is below. Thank you for your help with this.
