Dear Families and Stakeholders:

We hope you had a nice weekend. As a reminder, we have moved our Family and Stakeholder Zoom meetings to every two weeks. We will not be hosting a meeting this week, but look forward to connecting with you on Wednesday, August 26th. If there is something we would like to bring the group together to discuss before the 26th, we will be sure to send out a notice.

We continue to monitor the numbers and data in the Commonwealth as we move forward with our reopening of day and school programs. We currently do not have any positive COVID-19 cases in our programs.

Once again, we would like to thank those of you who have registered to participate in The Doug Flutie, Jr. Foundation for Autism’s Virtual 5K. As a benefiting organization, we are grateful for those who have registered and plan on registering to take part in this event and fundraiser on our behalf. Our team is growing daily, and we are eager to increase participation in the days/weeks to come. We will be finalizing ways for our families and stakeholders to support our individuals as they participate in this event. We will be sending details out this week on how to sponsor our residential group homes, day hab participants and students in our school. In the meantime, if you are looking to register for the event, you can do so by visiting our website and following the instructions for joining our team. The link is:

Thank you, and have a nice evening.

President and Chief Executive Officer
