September 21, 2020

Dear Families and Stakeholders:

We hope you had a nice weekend. We look forward to connecting with you during our meeting on Wednesday, September 23rd at 5:00 for our Family and Stakeholder Zoom call. Please forward any questions you may have to Contact@AmegoInc.org.

We are pleased to announce that we completed the mandated baseline testing with ***ALL of our staff*** by September 11th. We made the decision to test every staff member of Amego even though the mandate was only requiring us to test our residential staff. We are happy to report that we had 100% negative results come out of our baseline testing, with testing approximately 540 staff members. We will discuss this further on Wednesday.

Last week we launched our Direct Support Professionals Appreciation Week(s). On Friday, September 18th we hosted a staff Zoom call and watched several videos created to share our appreciation with our direct care staff. They are our true heroes, and we will continue our appreciation celebration of our staff on Wednesday's zoom call. We will also be taking a closer look at some of the other members of our staff who have gone above and beyond their typical "job descriptions and duties" to ensure your loved ones stayed safe during this pandemic. We look forward to sharing a closer look of our amazing staff with you.

We would like to thank everyone that registered to participate on Amego's team in The Doug Flutie, Jr. Foundation for Autism's Virtual 5K- Dougies' Epic Adventure- A Magical Flutie 5K, and to the ***many*** who have donated. Amego was the top fundraiser for the event, and we will be a brief part of The Flutie Foundation's live event this evening on Facebook at 8pm. If you would like to join, just login to Facebook and visit The Doug Flutie, Jr. Foundation for Autism's Facebook page to access the online event.

Thank you, and have a nice evening.

President and Chief Executive Officer
