Dear Families and Stakeholders:

We continue to monitor the numbers throughout Massachusetts and the country as we enter this second surge of positive cases of COVID-19. We are working with our staff to ensure the safety and well-being of our individuals and are testing our staff regularly. For the most part the numbers are pretty good, meaning we are not seeing a lot of positive test results for COVID-19 amongst our staff.

We will be hosting a guest speaker at our Zoom meeting next week on Wednesday, November 4th at 5:00pm. Lorri Unnumb, Esq., will give us some perspective as a family member and the leader of a national trade association regarding the impact of COVID-19 on the provider community nationally. We encourage you to attend this meeting as Lorri's depth of knowledge regarding the impact on the autism community during this pandemic is quite extensive.

Please forward any questions you may have for Lorri, or any other questions/issues that you may have to Contact@AmegoInc.org.

Thank you and have a good weekend.

John Randall
President and Chief Executive Officer
