Dear Families and Stakeholders:

Today we took part in a call for provider agencies that was led by Marylou Sudders, the Secretary of Health and Human Services for the Commonwealth of Massachusetts. This discussion outlined the Phase 1 rollout of the COVID-19 vaccines. Amego and similar agencies will be part of Phase 1 distribution. More information regarding the exact timing will come to us in the upcoming days/weeks. We will get into more detail on our call on Wednesday.

To reiterate what was sent out last Friday:

Any visitation requests need to be looked at individually. To inquire about a visit, please email Contact@AmegoInc.org.

Please recognize that if a visit is approved and your loved one's program status becomes "positive" or "presumed positive", you will have to keep your loved one home with you until their program is cleared and can come off of isolation.

We look forward to connecting on Wednesday, December 16th at 5pm for our regularly scheduled zoom call. The meeting information is listed below.

Thank you,

John Randall
President and Chief Executive Officer
